Story: Ambassadors from the Sky

Nemerin has been sighted around Nexus, he talks highly of the floating city of Tholm.

Nemerin has indicated that an embassy from Tholm will be showing up in Nexus soon.

Nemerin cleared out the site of the destroyed Ivory Tower and de-cursed the area resulting in 2 magical creatures causing havoc around Nexus.

The rune trolls left possibly cursed magical blocks outside the gates of Nexus.

Two Dragons Flew in and dropped of an Embassy carved from what appeared to be a single piece of stone. (Bag and Scroll sales)

Nemerin has made it clear that services are available for anyone who needs it or has questions. (Appeal to interact with Nemerin while Nemerin is offline)
